

# HOMework:

## CSS

### **Cerinte:**

1. *Creati structura html-ului din poza de mai jos.*
2. *Mutati stilurile intr-un fisier .css extern*
3. *Folositi cel putin 1 clasa si 1 id pentru stilizare*
4. *Adaugati un font nou din google fonts*
5. *Bonus points: adaugati o imagine care caruia ii punem width si height 150px si sub ea descriere cu ceea ce contine imaginea. Textul sa aiba alt font fata de cel adaugat mai sus.*

```
